For Immediate Release

This Earth Day, InTouch MicroSpa of Mammoth Lakes is sponsoring Appointments for the Earth in support of six Eastern Sierra environmental non-profit groups. On Sunday, April 23rd, from 10:00am until 7:00pm InTouch's team of therapists will donate all appointments to the Mono Lake Committee, Friends of the Inyo, the California Native Plant Society, Eastern Sierra Land Trust, ALIMAR, and the Sierra Club.

InTouch invites members of the six groups to schedule an Appointment for the Earth and choose any service they offer. When your massage or facial is done, InTouch will donate the cost of your appointment to the organization of your choice. Visit InTouch MicroSpa online (*www.intouchmicrospa.com*) to see a complete line of services.

These appointments are sure to be snapped up quickly, so sign up to support your favorite non-profit right away!

Many thanks to Carrie and Dan Meyers, owners of InTouch MicroSpa, for their generous donation to Eastern Sierra environmental non-profits this Earth Day!

The Mono Lake Committee is a nonprofit citizens' group dedicated to protecting and restoring the Mono Basin ecosystem, educating the public about Mono Lake and the impacts on the environment of excessive water use, and promoting cooperative solutions that protect Mono Lake and meet real water needs without transferring environmental problems to other areas.
