

Field Seminar Evaluation

Please share your thoughts about this seminar. We consider these evaluations important in planning for the future. The more detail, the better—we are always trying to improve our program. You may remain anonymous.

Field Seminar _____

On a scale of 1–10 (10 = outstanding) how would you rate your overall experience with this field seminar?

What did you particularly enjoy about this seminar?

Why did you take this seminar?

Were you provided with enough information beforehand on what to bring and what to expect?

How might this seminar be improved? Any comments that might be helpful to the instructor in improving his/her seminar?

What other field seminars would you like to see us offer?

Have you attended a Mono Lake Committee Field Seminar before? YES NO

Any other comments?

Thank you!
